

IN THE CLAIMS

Please amend the status of the claims as indicated below:

Claims 1-15 (canceled)

16. (new) An insurance plan, comprising:

a list of people committed to donating their organs, upon death, to other people included in said list of people prior to death of said other people, each person listed in said list of people being an organ insured person.

17. (new) The insurance plan according to Claim 16, wherein each said organ insured person in said list of people has priority in receiving an organ transplant from a person on said list of people over a person not listed on said list of people.

18. (new) The insurance plan according to Claim 16, further comprising lower priority organ insurance, wherein organs donated by each said organ insured person, but not required by said other people on said list of people, would be given to people who purchased said lower priority organ insurance.

19. (new) The insurance plan according to Claim 16, further comprising means for insurance confirmation, wherein each said person in said list of people would have said means

for insurance confirmation identifying each said person as one said organ insured person.

20. (new) The insurance plan according to Claim 19, wherein said means for insurance confirmation is an identification card.

21. (new) The insurance plan according to Claim 20, wherein said identification card includes a magnetic identifying strip readable by a computer.

22. (new) The insurance plan according to Claim 19, wherein said means for insurance confirmation is in a data transferable format capable of transfer via a communication network.

23. (new) The insurance plan according Claim 16, further comprising an option for each said organ insured person of paying an additional premium for covering organ transplantation operation expenses.

24. (new) The insurance plan according to Claim 16, wherein a priority of receiving an organ transplant for each said organ insured person within a given class of organ transplantation priority is a higher priority as a period of insurance is longer.

25. (new) The insurance plan according to Claim 16, wherein a person not on said list of people would pay a fee

for receiving an organ transplant.

26. (new) The insurance plan according to Claim 25, wherein said fee would be age-dependent and health-dependent.

27. (new) The insurance plan according to Claim 16, wherein upon death of a person on said list of people, beneficiaries of said person would receive a death insurance benefit payment.

28. (new) The insurance plan according to Claim 16, further comprising a payment by each said person on said list of people for inclusion on said list.
